Create and Configure IBM services IOT Watson Platform

Step1: Log in your registered id

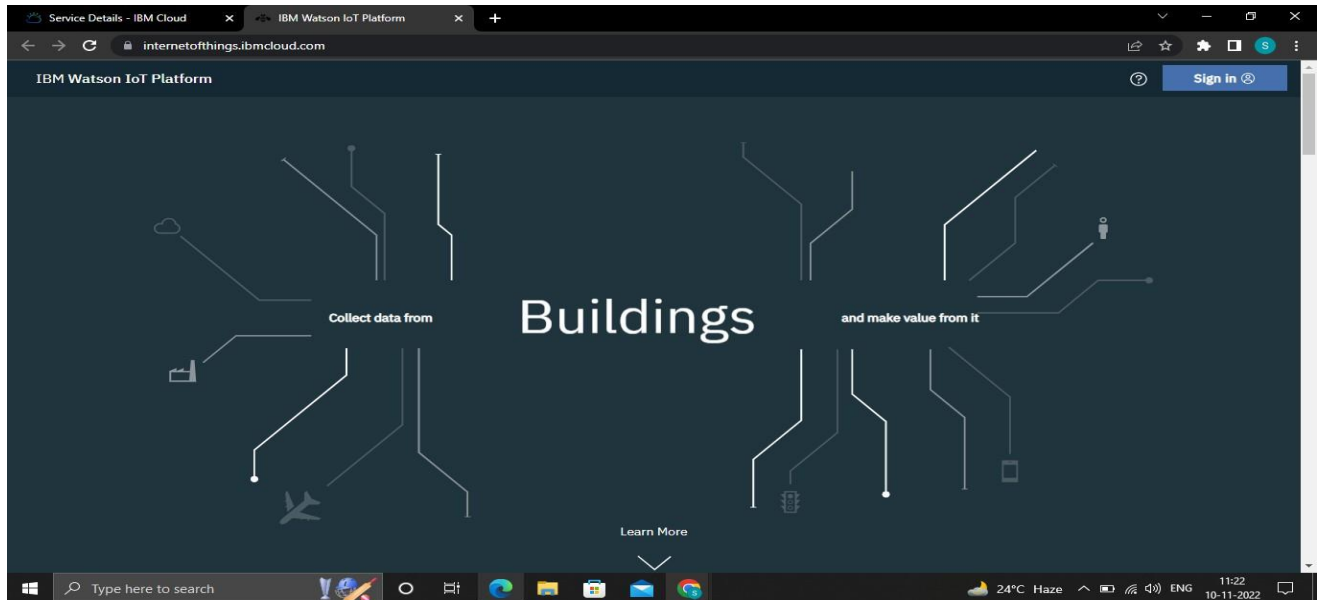

Step 2: click catalog where you find the services and internet of thing you can select and make location and click create and the launch tab get open, then click

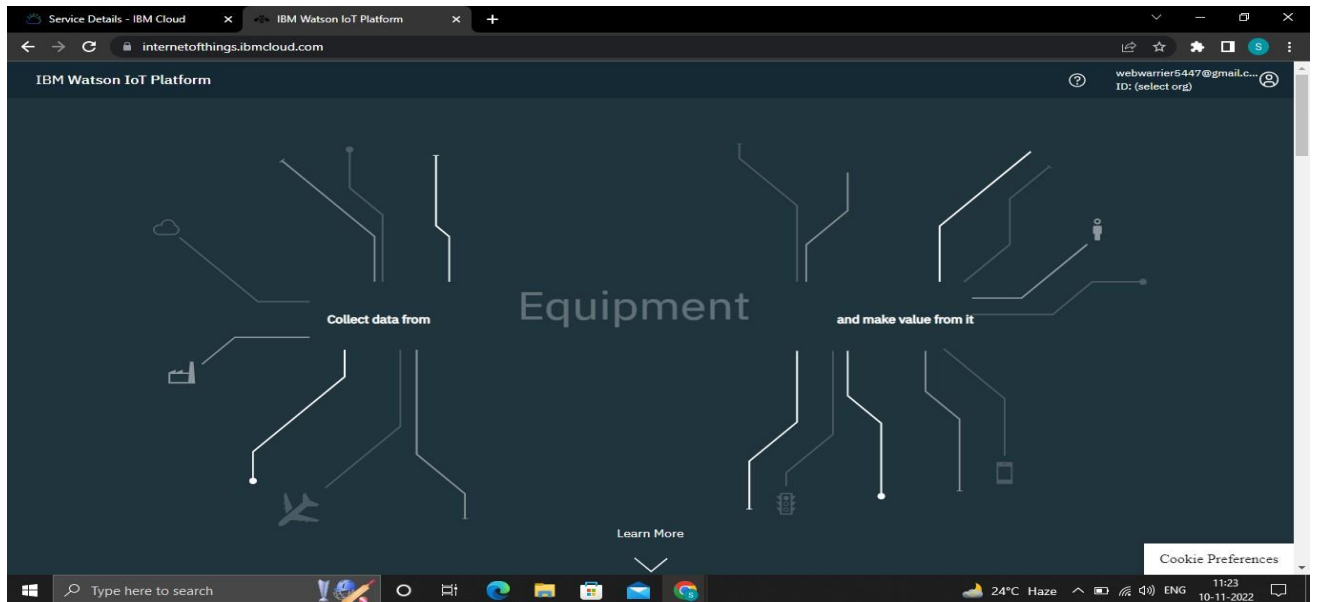

launch

Step 3: It redirects you to IBM WATSON platform where you need to click sign in

Step 4: You need to log in IBM ID

Step 5: Where you find this tab, which is used to add device, app, member, usage , security can be worked

The screenshot shows the 'Browse Devices' page in a web application. The top navigation bar includes 'Browse', 'Action', 'Device Types', and 'Interfaces'. A dark bar at the top right says 'Press F11 to exit full screen'. On the far right is a blue 'Add Device' button with a plus icon. The left sidebar contains several icons. The main content area has the title 'Browse Devices' and two buttons: 'All Devices' (active) and 'Diagnose'. Below this is a descriptive paragraph: 'This table shows a summary of all devices that have been added. It can be filtered, organized, and searched on using different criteria. To get started, you can add devices by using the Add Device button, or by using API.' A search bar labeled 'Search by Device ID' is present. To the right of the search bar is a 'Device Simulator' toggle switch (turned on) and a filter icon. Below the search bar is a table with the following data:

<input type="checkbox"/>	Device ID	Status	Device Type	Class ID	Date Added
> <input type="checkbox"/>	DESKTOP-00UA02Q	Disconnected	sathya3918	Device	Nov 6, 2022 6:42 PM

Below the table, it says 'Items per page: 50 | 1-1 of 1 item'. At the bottom right of the table area, it says '1 of 1 page' with navigation arrows. At the bottom of the page, a white box indicates '0 Simulations running'.

Step 6: Check boards for risk and security overview card, it is used for graphical representation boards

The screenshot shows the 'Your boards' page. The top navigation bar includes 'Your boards' and 'Public boards'. A dark bar at the top right says 'Press F11 to exit full screen'. On the far right is a blue 'Create New Board' button with a plus icon. The left sidebar contains several icons. The main content area has the title 'Your boards' and a 'Sort By' dropdown menu set to 'Recently changed'. Below the title are two cards: 'USAGE OVERVIEW' (3 Cards, Owned by you) and 'RISK AND SECURITY OVERVIEW' (4 Cards, Owned by you). Both cards have icons for a list, heart, and settings. To the right of these cards is a large dashed box with a plus sign, indicating a place to add a new board. Below the cards, it says 'Boards shared with you'. At the bottom of the page, a white box indicates '1 Simulation running'.

Step 7: after clicking create a new device / add device you can choose a device type and device id and complete the following information to create a device after that detect the random temperature for our learning
